AWARD NOMINATIONS PACKET

Omaha System Awards for Excellence in Practice, Education, and Research

DUE: January 15, 2019

Notification: before February 1, 2019

This is a call for nominations for the Omaha System Excellence in Practice, Education, and Research Awards to be presented during the Omaha System International Conference taking place April 4-5, 2019 in Eagan, MN. The three awards are designed to honor and recognize individuals who have made meaningful contributions to the understanding and use of the Omaha System in practice, education, or research settings. Each recipient will receive a \$150.00 award check. They will be responsible for their conference registration and travel expenses. Although recipients are encouraged to attend, it is not mandatory.

The Awards Committee encourages nominations of individuals for each of these three awards and will answer questions regarding preparation of materials. For questions, please contact Madeleine Kerr, Chair of the Awards Committee, at the address listed below. Other committee members are Gail Peterson, RN, BSN and Frances Wong, PhD, RN, FAAN, FHKAN.

Please email all of the application materials together before January 15, 2019.

Email nomination application packets and direct questions to:

Madeleine Kerr PhD, RN
kerrx010@umn.edu

Directions for Award Nomination Form:

A person *other than* the nominee should complete the nomination form.

- Complete the PDF Award Nomination Form: You may type in the information and (1) click File, Save As, name the file, and move it into your hard drive to send as an email attachment or (2) print, scan, and send it as an email attachment with the rest of the materials.
- Attach current and complete *curriculum vitae* of nominee including educational institutions attended, degrees, graduation dates, work history, membership in professional organizations (including offices held), honors and awards received, and professional accomplishments that qualify nominee for award consideration.

- Attach a 1 or 2 page letter of support from the nominator.
- Attach a 1 or 2 page letter from the nominee describing their contribution.
- Attach 1 other letter of support (1-2 pages long) from another person who can validate the nominee's outstanding contributions.
- The letters should describe specific Omaha System-related accomplishments that qualify the nominee for award consideration.
- Email all application materials before January 15, 2019 to Madeleine Kerr at kerrx010@umn.edu. The application must be complete; applications missing one or more required documents will not be considered. Applications received after the deadline above will not be considered.
